

Georgia Southern University Application Questions 2010

Please answer the questions, review and edit them, and then save your answers into a separate document **before** beginning the application. You will cut and paste your answers into the application.

1. Build a portrait of yourself by answering the following questions, which focus on your activities and interests:
 - a. Hobbies/Interests (dance class, creative writing, piano lessons, hiking, technology, etc.)
 - b. School Organizations (clubs, music group, sports, class office, debate team, etc.)
 - c. Community (charity, scouts, religious groups, volunteering, etc.)
 - d. Choose one of the activities listed above, describe your participation, and explain how you benefited from the experience.
 - e. Do you have a specific career or area of interest in mind? Please explain.
2. When you hear the term "leadership," what does that mean to you?
3. What makes you unique as a young leader?
4. How have you demonstrated leadership in your high school career?
5. What factors influence your pursuit of academic excellence?
6. Be imaginative and describe a club or organization you like to start in your school or community.
7. Think of a success, accomplishment, milestone, etc. and briefly describe it. What did you do to achieve it?
8. How do you think you might use your leadership skills in high school, college, and/or your career?
9. Many leaders discuss the importance of "giving back." What does that mean to you? Why do you think it's important?
10. What are the leadership qualities that you admire the most in others? Is there someone you look to for leadership who inspires you?
11. How would participation in this program help you reach your future goals?
