

READY TO LEAD?

EarthCare

The Leadership Challenge
for the 21st Century

21ST CENTURY
LEADERS

Inspiring youth to lead.

EarthCare: The Leadership Challenge for the 21st Century is a week-long **summer leadership institute** focused on STEM and leadership. Connect with like-minded high school students to explore careers in engineering and technology, network with and learn from industry professionals, and develop yourself as a leader.

21st Century Leaders' EarthCare, sponsored by Georgia Power, brings young leaders together from across the state of Georgia for **hands-on leadership training and career development**. Network with Georgia Power professionals and community leaders, learn about sustainability and energy efficiency from subject matter experts, and grow in leadership through interactive diversity, team-building, service projects, and public speaking workshops. Learn from Georgia Power about servant leadership and career opportunities open to the next generation of leaders!

Not only will you have an exclusive industry-exploration experience with Georgia Power, you'll also join 21st Century Leaders and have access to our high-quality leadership training and opportunities for the rest of your high school career!
